## Slimline 3WS

EXTRACOMPACT  
YOU CAN STOCK IT  
ANYWHERE

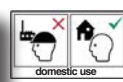

Single sided stool with wide flat steps. It is produced in anodized extruded ribbed aluminum with parallel frames. The non-skid steps are fixed to the frames with screws and can be replaced in case of accidental breakage. Each step can be used as a platform. The rubber feet are fixed with screws so they cannot accidentally come off. It does not dirty user's hands and is lightweight and lasting. Produced according to the European Standards EN14183.

n.	m	m	m	Kg
3	1,43	0,75	2,75	5,3
4	1,71	1,00	3,00	6,8
